About Me

Law & Society student seeking hands-on experience in government, legal, and public policy settings. Graduated high school at 16, reflecting strong academic initiative, discipline, and time-management skills. Maintains a 3.89 GPA while gaining professional experience in communications roles. Experienced in policy-related research, writing, and the preparation of informational materials. Vice President of a Debate Club, demonstrating leadership, public speaking, and argumentation skills in policy-focused discussions.

Work Experience

2023 - 2024

Communications Associate For Bright Wheeler Group

- Assisted in drafting, editing, and organizing written materials for public-sector and client-facing communications.
- Conducted background and policy research on government agencies, public programs, and regulatory topics to support project development
- Synthesized information from multiple sources into concise summaries used to inform reports, presentations, and internal documents

2024 - 2025

Legal Research Coordinator For Bright Wheeler Group

- Collaborated with company members to conduct research on regulatory frameworks, and public programs to support document development
- Conducted independent legal and policy research on government procedures, regulatory frameworks, and public programs to support document development
- Oversaw document workflow processes, including editing, formatting, quality control, and final preparation of documents
- Maintained organized research databases and documentation systems to support ongoing project continuity and reference.

2026/Present

Intern For Lydia Green for NY District 52

- Supported development of public-facing communications for voter outreach and district-wide engagement initiatives
- Collaborated with staff to translate policy priorities into clear, compelling digital content.
