

Dorian Papayev

About Me

Law & Society student looking for hands-on experience in government and public service. Graduated high school at 16, demonstrating early initiative and dedication to learning. Interested in politics, policy, and government, with practical experience in graphic design, marketing, cybersecurity, digital communications and RFP development. Also experienced in creative arts, including audio design, music composition, photography, and basic videography. In high school, served as a local journalist and Ukrainian/Russian/English translator for Association of Neuropsychologists of Ukraine, under Dr. Dmitry Garyshkin. Volunteer experience with canvassing and phone-banking.
